Brixham College is an 11-16 mixed comprehensive school of around 1,000 students with an excellent record of success in educational, sporting and community fields. Our academic record over the last few years shows sustained high standards. In 2010 and 2011, the College was recognised nationally as one of the most improved schools for GCSE results.

"Students achieve well as a result of good teaching, a curriculum that offers an increasing level of personalisation and well targeted academic and pastoral support"
Ofsted 2011.

We are seeking to appoint, from September 2012, four well-qualified, highly-effective, enthusiastic and ambitious teachers to be part of four thriving faculties. The College provides a supportive, positive and vibrant environment in which teachers can develop a wide range of skills that will enhance career development. Staff continually go the extra mile to ensure every child achieves their full potential.

Ofsted commented that *"there is a palpable sense of pride among those that work and learn here"* **Ofsted 2011.**
