

Dear Parent/Carer and Student

Key Stage 5 'Which Way Now' Evening - Wednesday 12<sup>th</sup> October 2011

You and your son/daughter are invited to attend the above evening in the Main College Hall on Wednesday 12<sup>th</sup> October between 6.30p.m. and 7.30p.m.

This is an opportunity to gain information about the pathways available to your son/daughter in regards to applying to 6<sup>th</sup> Form, Colleges, Apprenticeships and the different qualifications that are available such as A/AS Levels, BTecs/NVQs and Diplomas. During the presentation we will issue the dates of Open Days/Evenings and what support is available to the students in their transition to providers/employers after Brixham College.

A presentation will be given by Miss Bridgeman (Vice Principal) and there will be an opportunity to peruse the prospectuses of the different providers.

After the presentation there are refreshments available and Miss Bridgeman and the Careers team will be on hand to answer any individual questions you might have.

Another date for the diary is the Careers Fayre - 19<sup>th</sup> January which is held annually at the college and where over 40 employers and further education providers will be available to discuss further options for the year 11s.

Please complete the form below and return to Mrs Martin, Careers Officer by Monday 10<sup>th</sup> October.

Yours sincerely

Sue Martin  
Careers and Industry Liaison Officer
